Subject: Lurching of Electronic Cargo Tracking Certification from April 1st, 2021

Dear Directors,

The Ministry of Trade and Industry, National Revenue Authority, and Investment Authority have signed Trade Facilitation Portal Agreement with K- POLYGONE, to ensure that cargo (import/ export) and transit of goods shipped in containers or in bulk by road, air, and maritime transport to/from the Republic of South Sudan.

Pursuant to implementation of this agreement, we duly request your support to K-POLYGONE or his local agent that the goods coming from your country must be covered by the Electronic Cargo Tracking Note (ECTN) and Freight Commissions Certificate (FCC) documents issued by K-POLYGONE at the loading points.

As a measure to encounter malpractices in our revenue collecting regime, I urge you Dear Directors to take all necessary actions aimed at strengthening the compulsory nature of the agreement forming part of mandate due during customs clearance, in particular the Electronic Cargo Tracking Certificate in accordance with inter-ministerial circular No. (6) RSS/MT&I/J/ 18/ 12/2020, directing the adherence to compulsory subscription of the Electronic Cargo Tracking Certificate and freight commission certificate.

At this juncture, please, I request all your support to K-POLYGONE and local agent team in your country.

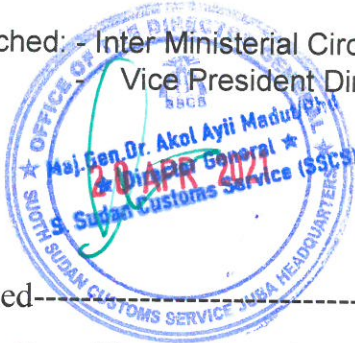

Office of the Director General

At this juncture, please, I request all your support to K-POLYGONE and local agent team in your country.

Accept the assurances of my highest consideration.
